Young Investigators' Award – Abstract submission

The BSH would like to invite submissions of abstracts for the Young Investigators' Award.

Deadline
The abstract submission deadline is Friday 28 September 2012.

Entry
Entry is open to everyone. If medically qualified, applications are restricted to staff other than those in consultant positions.

Submissions should relate to contemporary data. Abstracts that have previously been presented or published elsewhere will be considered as long as this has been in 2012. Please consider impact of your submission to the BSH on future submissions / publications.

Submission
Please submit the abstract with the following information:

Title of abstract, list authors (most senior last) and institutions. The abstract text should be prepared in the following format: 1. Purpose, 2, Methods, 3. Results, 4 Conclusions.

Please also list any conflicts of interest.

The abstract can be a maximum of 350 words, presented in font 12 or above and double line spaced. One figure or table can be included.

Please email the abstract/s to: rose@bsh.org.uk by 28 September 2012

Entries will be short listed based on the quality of the research. The three best abstracts will be chosen and authors notified mid October. Abstracts that are not accepted for oral presentations will not be able to be displayed as posters.

Presentation
Authors will be invited to present these at the BSH Autumn Meeting during Session 4 on 29 November at 16:35 hours.

Winners and runners-up
All presenters will receive certificates and a complimentary registration to the BSH Heart Failure Day for Training and Revalidation Meeting on 7 February or the BSH Heart Failure Study Day on 8 February 2013. The winner will also receive a prize of £250 and will be announced at the BSH Faculty dinner on 29 November, to which abstract presenters will be invited.

We look forward to receiving your abstract/s by 28 September on email rose@bsh.org.uk.
