

# European Heart Failure Awareness Day May 6<sup>th</sup> 2011

Venue: Wycombe General Hospital – Foyer  
Main Entrance

You are invited to visit our stand on Friday

There will be:

- Nurses taking Blood Pressure and giving advice
- A 4 step plan for heart failure
- A chance to meet the Heart Failure Nurse Specialist Team & Cardiac Rehab Nurses
- An opportunity for you to look at a proposed new patient-held record for heart failure
- Meet patients already being supported by the heart failure nurse specialist team
