Travel to Derry:
Derry is easily accessible and can be reached via Derry, Belfast International and Belfast City airports.

There are direct flights to Derry from Birmingham, London Stansted, Liverpool and Glasgow and many more options to Belfast airports where delegates can take a convenient shuttle transfer to Derry.

A complimentary transfer at close of conference is available to delegates traveling back to Belfast airports. Please book early to secure your seat, as these spaces are limited.

We very much look forward to you joining us in Derry/Londonderry, for what is promising to be another innovative and exciting event!
