For scientific and/or technical reasons the BSH programme directors reserve the right to make any change to the programme.

This full day meeting will provide opportunities for new and recently appointed Heart Failure Consultants (typically within their first 2-3 years) to network with others at a similar stage of their careers and gain insights and practical advice from those with experience in this role. We expect around 25–30 newly appointed consultants to attend.

Registration will be open w/c 1 April 2019, and the programme and registration form will be circulated to all BSH members and made available via the BSH website (www.bsh.org.uk).

The cost of the day is £25 for BSH members and £75 for non-members.
