 If you believe
in organ donation,
register now at:
www.organdonation.nhs.uk

Aim of the day

- To provide an overview of cardiothoracic transplantation and for candidates to develop a greater understanding of the management of this complex patient group both pre and post transplantation

Day to include

- Referral for transplantation
- Assessment for transplantation
- Aspects of surgery
- Post-transplant care
- Mechanical support
- DCD Heart donation
- Patient experience

Who should attend?

- Open to all nurses and allied health professionals, either hospital or community based who are involved or interested in the care of patients both pre and post cardiothoracic transplantation

Fee

- £50 (with limited free places available for Papworth Staff)

To book a place register online
